One Mind for Research:
The Politics of Advancing Brain Health Research

The Honorable
Patrick Kennedy

Introduction by Congressman Frank Pallone, Jr.

Patrick Kennedy served 16 years in the U.S. House of Representatives (D-RI) and is predominantly known as the author and lead sponsor of the Mental Health Parity & Addiction Equity Act of 2008. Now Kennedy is the co-founder of the One Mind for Research campaign, the next step in the effort to bring together policymakers and scientists working in various domains of brain research toward a common goal.
